

Proposal: ASPHER 2020 Implementation of the Strategic Objective 4

Strategic objective 4:

Developing the global dimension of education and training for public health

4.1. Publish a curriculum on Global Public Health at the MPH level and an adapted version for CPD, advocate and implement it as standard for all European schools of public health;

4.2. Establish a think tank focusing on education, training, and research for evidence-based public health interventions at the global and regional level, within the capacity of the membership network and in partnership;

4.3. Investigate the options for a Global ASPHER Alumni Association together with support of alumni's mobility.

Lead: Ulrich Laaser (ulrich.laaser@uni-bielefeld.de) – 4.1-4.2; Robert Buckingham (buck@nmsu.edu) / Yehuda Neumark (yehudan@ekmd.huji.ac.il) – 4.3

Vision following specific objective 4.1:

- Develop and test a curriculum on Global Public Health.

Activity 4.1.1.

- Development of the curriculum

Expected results:

- ✓ Module format developed and the first version of the curriculum published in the South Eastern European Journal of Public Health for both MPH and CPD (2015)
- ✓ Publication of the first review based revision (ongoing since 09/2015) (2016)
- ✓ Online version for CE to be developed for several modules (supported by SPHM, Belgrade) (2016)

Activity 4.1.2.

- Testing modules of the revised Global Public Health Curriculum

Expected result:

- ✓ Revised modules tested and improved accordingly at both MPH and CPD level; in cooperation with all ASPHER members interested (2017)

Activity 4.1.3.

- Promoting the use of the Global Public Health Curriculum by all ASPHER members

Expected result

- ✓ The Global Public Health Curriculum endorsed and applied by European SPHs for both MPH and CPD in cooperation with ASPHER Secretariat (2018)

Vision following specific objective 4.2:

- Establish a think tank focusing on education, training, and research for evidence-based public health interventions at the global and regional level, within the capacity of the membership network and in partnership.

Activity 4.2.1.

- Setting up a think tank on education, training, and research for global and regional public health interventions

Expected results

- ✓ Think tank group arranged by Ulrich Laaser together with Robert Buckingham and Antoine Flahault (2016)
- ✓ Consolidated recommendations developed and agreed by ASPHER membership (2017)

Activity 4.2.2.

- ASPHER's ambassador programme

Expected results

- ✓ Piloting ASPHER's ambassador programme with ASPHER members in Bulgaria and Poland (2015)
- ✓ Finalising the guide for ASPHER Ambassadors and the organisational setting of the programme (Honours' Committee, QUIDS/APHEA) (2016)
- ✓ Programme schedule implemented for prioritised ambassador visits until 2020, ambassadors nominated, and required travel costs estimated (2016)

Vision following specific objective 4.3:

- Develop a Global ASPHER Alumni Association.

Activity 4.3.1.

- Investigating the options for a Global ASPHER Alumni Association

Expected results

- ✓ Consultation with member SPHs on options for an alumni programme (2016)
- ✓ Model proposal implemented (2017)

Activity 4.3.2.

- Supporting member SPHs in setting up alumni networks

Expected results

- ✓ Workshop on Alumni organisation in the context of annual deans' and directors' retreat (2018)
 - ✓ European SPHs with alumni networks (2019)
-
