

List of membership benefits per service package

ASPHER has implemented a new system of “service packages” in order to cater for the diverse needs of its growing community of members. Below you will find a list detailing the main benefits of the regular service package and of the enhanced service package. If you have any questions, please contact the ASPHER Membership & Partnerships Lead at felix.ruiz.cabre@aspher.org

Benefits available to all ASPHER members

1. Belong to the ASPHER network – a unique community of members full of opportunities for you and your institution
2. Receive logistical and content support from the Brussels-based ASPHER Secretariat, and take advantage of having an office in the capital of the European Union
3. Take part in the implementation of the ASPHER 2020 Strategy and play a key role in the public health training and education international agenda
4. Participate in the ASPHER working, interest, and influence groups to further the achievement of your own objectives
5. Expand your own network by engaging with ASPHER’s European and global partnerships
6. Benefit from ASPHER’s centralised CPD training schemes at European level by offering or receiving training with advantageous conditions
7. Attend the ASPHER Deans’ & Directors’ Annual Retreat and participate in the European Public Health Conference
8. Engage in the membership-oriented ASPHER website and newsletter, key communication tools to disseminate your news and to stay updated about the activities of ASPHER and fellow members
9. Take advantage of ASPHER career development opportunities: Fellowship Programme and internship scheme
10. Access and shape the development of Public Health Reviews, ASPHER’s multidisciplinary open-access journal
11. Receive attractive APHEA discounts and support from the ASPHER-APHEA collaboration schemes

Benefits available to members with the enhanced service package

1. All benefits available to ASPHER members that hold the regular service package
2. Make free use of ASPHER's Brussels premises for your meetings in the European capital
3. Take part in ASPHER joint submissions for workshops and satellite events to the European Public Health Conference and other key events, while receiving support in covering relevant costs of participation
4. Use ASPHER waivers to publish in Public Health Reviews
5. Validate your programmes through APHEA at no cost, giving them a European-wide layer of reputation
6. Receive additional administrative assistance from the ASPHER Secretariat on Association-related projects and other relevant activities
7. Disseminate your news and announcements with exclusive visibility on the ASPHER website and newsletter
