37. **Projects run by your institution (title, funding body and timeframe for each, attach file/provide weblink for detailed info):**

- **ExACT**

Title: European network staff eXchange for integrAting precision health in the health Care sysTems

Funding body: European Union's Horizon 2020 research and innovation programme under grant agreement No 823995

Timeframe: 2019-2023

For additional details about the project, please visit the following website:
<http://www.exactproject.net/site/index.php>

- **ICM Erasmus+ KA107**

Title: Higher education student and staff mobility between Programme and Partner Countries (KA107)

Funding body: European Commission

Timeframe: 2019-2022

The project, in collaboration with the Thomas Jefferson University, foresees the exchange of students, faculty and staff from Italy to United States of America and vice versa.

The main objectives of the ICM project are the improvement of knowledge; the creation of fact-finding networks and collaboration to projects and activities related to the specific scientific sector; teaching and sharing knowledge to students having a background different from the one of the belonging organization; and sharing the knowledge learnt during the stay abroad.

For additional details about the project, please visit the following website:
