Statement of the costs incurred and Request for further pre-financing

Dear Prof. Dr OTOK,

We would like to thank you for your "Statement of the Costs incurred and Request for Payment" received on 17/03/2023.

We are pleased to inform you that, on the basis of the information provided in the above mentioned form, the requirements foreseen by Article I.4.2 of the Grant Agreement have been met. Therefore, you may expect payment of a further pre-financing in accordance with the rules set out in Art. I.5.1 and I.5.2 of the Grant Agreement. Please be informed that the feedback on your progress report will follow in a separate letter.

Please note that, if the statement on the use of the previous pre-financing instalment submitted in accordance with Article I.4.2 shows that less than 70 % of the previous pre-financing instalment paid has been used, the amount of the new pre-financing to be paid will be reduced by the difference between the 70 % ceiling and the amount used.

The results of the evaluation of the Technical Report will be sent in a separate communication.

Please note that the eligibility of the costs incurred (excel file) will only be verified at Final Report stage (art. II.24 and II.25 of the Grant Agreement). Therefore, this letter does not imply the approval of the costs declared in this reporting exercise.

Should you require any further information, please contact your Project officer at EACEA at EACEA-EPLUS-CBHE-PROJECTS@ec.europa.eu. We also encourage you to regularly consult our Erasmus+ website https://eacea.ec.europa.eu/erasmus-plus/beneficiaries-space_en.

We wish you a successful continuation of your activities.

Yours sincerely,

Barbara GESSLER
