

**Collaborating to Build up Public Health Capacity
Official Side Event of the Association of Schools of Public Health in the European Region
(ASPHER), Deans and Directors' Retreat**

Date: Wednesday 20 June 2018

Time: 12.30 - 17:00

Venue: John Snow B Lecture Theatre, London School of Hygiene and Tropical Medicine, Keppel St, London, WC1E 7HT

Objectives:

- To understand the current global engagement of ASPHER members and potential to expand linkages
- To consider different models and approaches to public health capacity development, identifying potential areas for future collaboration
- To explore options for strengthening collaboration in support of building a strong and capable public health workforce internationally
- To consider institutional linkages between schools of public health, national public health agencies and public health professional bodies, which can support global PH capacity development
- Agree next steps to take forward proposed actions

Speakers:

- Professor Kasia Czabanowska, President, Association of Schools of Public Health in the European Region (ASPHER)
- Mr. Robert Otok, Director, Association of Schools of Public Health in the European Region (ASPHER)
- Professor John Middleton, President Faculty of Public Health (FPH)
