## Summer Educational & Tutoring School

15-21 July 2019 | Brussels

Discover ASPHER's novel Public Health Training Academy offer in the heart of Europe!

**No matter how many times we read something out of a book, getting involved in addressing real life challenges is the moment when profound learning takes place!**

Andrija Stampar

Such challenges earmark your professional career and personal identity. It is here that mentoring from public health experts can bolster your professional self-esteem, competences and career path.

The Andrija Stampar Summer School offers an exclusive educational mentoring programme tailored to initiate such fruitful learning experiences!

Instead of a classical school, participants are asked to present a professional public health challenge or experience, which is followed by a mentoring session to untangle and solve the problem(s) presented. By its very nature, peer learning takes place and is strengthened with profound mentoring assistance from experts of recognized European and global prestige in public health and health systems.

### PROGRAMME

Monday	Arrival speech from ASPHER's president elect and welcome dinner including Director's keynote speech
Tuesday-Thursday	Presentations from participants and workshops with mentoring from European and global experts Inspiring talks by the faculty providing real life and career experiences in their domain of expertise
Friday	When the students become the teachers. Cooperative learning and peer instruction under the supervision of the Director.
Saturday	Guided city tour in Brussels (optional)
Sunday	Belgian National Day with celebrations and parades throughout Brussels

### OBJECTIVES & OUTCOMES

- ⇒ Strengthen your professional identity and get inspiration from faculty mentoring
- ⇒ Skills and confidence building by means of real public health challenges
- ⇒ Acquire professional recognition from peers and distinguished public health experts
- ⇒ Cultivate and nourish your potential

### INNOVATIVE TEACHING STYLE

- Peer-to peer learning
- Mentoring from renowned public health experts
- Problem based learning
- Keynote lectures

### COURSE DIRECTOR

**Dr. Jose M Martin-Moreno**

*Professor of Preventive Medicine & Public Health and Director of the MPH Programme at the University of Valencia, Head of the Clinical Education & Training Unit at the University Hospital of Valencia Senior Adviser (Health Systems and Public Health) at WHO Europe.*

### PARTICIPANTS PROFILE

Public health and healthcare managers, postgraduate public health students and professionals with a clear determination to broaden their personal and professional horizons in public health.

### REGISTRATION FEES

- € 1600 Non ASPHER member
- € 1199 ASPHER member

The Andrija Stampar Summer School is part of the Public Health Training Academy, an ASPHER umbrella project to develop a Europe wide continuous public health education scheme.
