

# IANPHI European Network

## Virtual Meeting - October 2020

The IANPHI Europe virtual meeting provides IANPHI members with a unique forum for peer-to-peer exchange and discussion, through a series of online webinars. The three sessions, made by and for the European members and partner organisations, will tackle NPHIs-specific topics, adapted to the context of COVID-19.

### Programme

**Session 1 - Friday, October 9** 13:30 - 15:00 CEST

#### **Public Health and Climate Change Challenges: Mobilising NPHIs into multi-sectoral alliances**

Dr Sébastien Denys, Director for Environmental and Occupational Health - **Santé publique France**

Prof. Guus Velders, Senior Scientist for air quality and climate change - **Dutch Institute for Public Health and Environment**

Dr Maria Neira, Director of Public Health, Environmental and Social Determinants of Health - **World Health Organisation**

Dr Catherine Ganzleben, Head of Air Pollution, Environment and Health Group - **European Environment Agency**

---

**Session 2 - Thursday, October 22** 15:00 - 16:30 CEST

#### **Balancing investment for Wellbeing and Health Equity in the Context of COVID-19**

Dr Mariana Dyakova, International Health Lead, Dr Sumina Azam, Policy Lead - **Public Health Wales, WHO Collaborating Center on Investment for Health and Wellbeing**

Chris Brown, Head of Office & Tatjana Buzeti, Policy Officer - **WHO Europe Office for Investment for Health and Development**

Caroline Costongs, Director - **EuroHealthNet**

*Moderated by:* Prof Mark A Bellis, Director - **WHO Collaborating Centre on Investment for Health and Wellbeing at Public Health Wales**

---

**Session 3 - Date to be defined**

#### **Sharing Lessons Learned from NPHIs on responses to COVID-19**

More information on the dates and speakers will be communicated shortly.
