

The Faculty of Public Health gladly invites you to Round Table “This is Public Health”. The venue of the event is at ST. Ecaterina Hospital boulevd. Pencho Slaveikov 52, Center, Sofia at 13:00h on the 12th of November 2019.

This is the first from the sequences of events related to the TIPH Campaign of ASPHER and ASPPH. The main aim of the event is to share best practices in different learning and teaching methods, and discuss public health and health care topics such as:

- E-Health
- Health insurance
- Bioethics and Medical ethics
- Promotion and Prevention of Health

Students will be divided in groups and each group will receive a case study to solve. Each participant will receive a Certificate.

Public Health is defined as the science of protecting and improving the health of communities through education, policy making and research for disease and injury prevention. This event enables you to address health problems of communities as a whole, and influence policies that affect the health of societies. The event is purposed for the students from the Medical University-Sofia as well as teachers from the different Faculties.

We will be glad to meet you!
