

# ANDRIJA ŠTAMPAR SUMMER EDUCATIONAL & TUTORING SCHOOL (ASSETS)

Public Health Mentoring Summer School

At ASSETS, we recognize that today's challenges demand innovative thinking and adaptive intelligence. Through mentorship, we aim to equip young professionals with the tools they need not just to survive in a fast-changing world but to thrive in and lead it.

ASSETS is more than a mentorship program — it's a collaborative journey to transform obstacles into opportunities and aspirations into achievements.
